

[Download Price Points Functionality Added](#)

You can now download a list of active price points to Excel.

From the Contract Detail screen in Unionline, click the expand button to show further details, click on the Price Points tab as shown below. You will now see a Download link located beside the Printable Version link.

Click the Download link to export a list of your active price points and save it in an Excel format.

| Summary | Contact Information | Address Information | Balancing Parameters | Allocation Detail | Price Points | Consumer Detail | | |
|--|---------------------|-----------------------|----------------------|-------------------|----------------|--|-----------|----------------|
| | | | | | | Download Printable Version | | |
| Active Price Points (at least one consumer attached) 7 | | | | | | | | |
| All Price Points 10 | | | | | | | | |
