

AN IMPORTANT NOTICE ABOUT YOUR GAS RATES

April 2021

The Ontario Energy Board (OEB) approved changes to the rates Enbridge Gas Inc. charges customers effective April 1, 2021. Your new rates are shown on the accompanying **Rate T3** schedule. Changes in the rates are detailed in the attached appendix. Changes to supplemental service rates reflect changes in gas supply costs effective April 1, 2021. The enclosed bill uses the new approved rates.

Storage and Transportation

Approved 2021 storage and transportation rate increases are reflected in the new rates for Rate T3 customers. Individual customer impacts will vary.

Enbridge Gas' storage and transportation rates also reflect changes in costs for compressor fuel and unaccounted for gas due to changes in the cost of gas. In addition, where Enbridge Gas provides storage deliverability inventory, there is a change to the carrying cost of gas in inventory due to the changes in the cost of gas. These changes will only impact customers who elect the Union supplied fuel option. Individual customer impacts will vary based on usage.

We appreciate and thank you for your business. If you have any questions about the rate change, please call your account representative. Our staff will be pleased to answer your questions.
