2.01 Enbridge agrees, subject to the terms and conditions herein, to provide the following services set out in this Section 2.01 and in Section 2.02 (c) and (e) (the “**Services**”).

Enbridge agrees to accept delivery of the Produced Volume, on a reasonable efforts basis, at the Receipt Point(s) provided that:

- (a) Enbridge has sufficient System Capacity to receive the gas offered for delivery by Shipper; and,
- (b) the quality of such gas meets the Terms and Conditions as set forth in Schedule “A 2013”, General Terms & Conditions, Article II of Enbridge’s M13 Rate Schedule.

Enbridge further agrees to deliver each Day at the Delivery Point the Dawn Quantity on the same Day as Shipper delivers the Produced Volume.

Enbridge shall deliver at the Delivery Point a Market Quantity provided Shipper has tendered its daily quantity nomination to Enbridge so that it is received in accordance with Schedule "B 2010" of Enbridge's C1 Rate Schedule and Enbridge has scheduled such nomination.

2.02 Enbridge and Shipper acknowledge that this Contract shall be governed by the following principles:

- (a) on an ongoing basis during each Contract Year the total Dawn Quantity shall equal the total Market Quantity, and Enbridge and Shipper shall each use their reasonable efforts to achieve this;

- (d) Except under that circumstance where Shipper purchases third party gas to correct a debit position in the Producer Balancing Account, the only quantities that shall be debited or credited under the Producer Balancing Account are the Dawn Quantity. Any gas that may be purchased to correct a debit position as herein provided, shall be delivered to Enbridge at the Delivery Point; and,
- (e) Enbridge agrees, on any Day, to provide a Name Change Service immediately downstream of Enbridge's facilities at Dawn (Facilities) for any quantity of gas which Shipper may deliver and which Enbridge has authorized. Shipper and/or its designate shall ensure that Enbridge is notified of the names of the parties underlying this transaction, which name change(s) Enbridge shall confirm to all relevant transporters (including Enbridge). Enbridge will not provide the Name Change Service unless the party to which the gas is being transferred has executed a valid Enbridge approved Interruptible Service Hub Contract and has made a Service Hub nomination with Enbridge, or has properly nominated under other contracts in place with Enbridge.

2.03 Accounting for Services: All quantities of gas handled by Enbridge shall be accounted for on a daily basis.
